Offer Corporate sales, firm sales, sales

Telecommunications IT Communications

We are a very well-managed Company which has not only made a strong Name for itself in many years of Work, but has also become the largest Supplier in the region. We offer individually tailored Complete Solutions, sales at THE POS And technical Processing in The Telecommunications sector. We are Partners of industry-leading Companies such as Deutsche Telekom and Deutsche Post. The Combination of the two big Partners spills a three digit Number of Customers into our house Every day. Sales Are planned for sales this Year at €1.5 Million. In the first Quatal of this Year, the Plan Numbers were exceeded by about 15%. Goods worth more than €100,000 are one of them, as well as all our know-how, information and Promotional material. It is important to us that our Company will continue to operate successfully, so intensive Familiarisation in all Areas that belong to it is a matter of course.
Active Participation would also be conceivable.
