## **Onlineshop**

Offer sale or participation in well-established online shop for exclusive children's fashion and shoes in the upper price segment. The online shop has been well established in the last two years and is well received by customers. The range consists of exclusive brand edour swear and high-quality children's shoes from well-going brands. Customer satisfaction is very good. The shop is top placed on Google Adwords. A Trusted Shops certificate is available. The system is completely Internet-based. This means that the shop can be operated from anywhere. Only a small warehouse for the goods is required. There are excellent contacts with suppliers at home and abroad.

After we started the company as a second pillar, we now lack the time to continue it adequately with significantly increasing sales figures. Therefore, we offer it for sale with existing warehouse, IT, warehouse inventory and packaging center equipment/material.
