Look for Corporate participation, firm participation **Events**

We are looking For investors to help us create an exclusive Framework for erotic Events. An Object in a suitable Location and Size has already been found and we would like to purchase and expand it.

After Purchase, we could start the first Events as early as October.

All other data/Plans, etc., would be clarified during a face-to-face Interview.

However, it is urgent that the Property will be sold at auction at the End of July .
