## Offer Corporate sales, firm sales, sales **Delicatessen**

Our company develops and produces high-quality delicatessen products in higher price segment. Our core products are gourmet sauces to all Fondue for all meat, fish and Geflügelgrilladen and for dips and spreads. All products are preservative, colorant and flavor enhancer produced and are based on our secret recipe! With great success we have our gourmet sauces tested for 18 months in an exclusive shop on Bahnhofstrasse in Zurich and established. Our products are unique in this form, and are now considered the best in Switzerland.

We offer active traders the opportunity, our top products as a licensee to produce and distribute themselves, and thus build a new or additional and more lucrative existence. The convenience sector is one million market! Our products are specifically designed for this market (excluding food shops, hotels and restaurants in the high price segment) aligned.

If you are a success-oriented entrepreneur who wants to cover the first in this market, we should get to know us. We grant exclusive licenses for Europe and worldwide.
