Offer Corporate sales, firm sales, sales **Internet Portal Magazine**

Internet Portal/online magazine for sale The Internet Project is a regional Portal with daily News, Police Report, Calendar of Events and free And commercial Advertising Market (Banner advertising, industries, Online menu, Contact Ads, etc.), as well as affiliate marketing. The Portal has been online since November .

Due to the Independence of the Family in 2 other medium-sized Service Companies, this Project was hardly economically activated due to time constraints, despite a Marketing Concept. However, The Update has been made on a daily basis since Commissioning. Regional and national Press releases require little Time to update. The current Operating Costs are approximately €20 per Month.

PC prior knowledge should be available, otherwise relatively easy-to-use CMS (content management system) program.
