

The big business marketplace

Business for sale more than 15 years

ID 13761

Offer Corporate sales, firm sales, sales **Full service**

Offer our service industry in the IT environment, including existing customer base in the greater Franconia area, for takeover.

Focus: small to medium-sized enterprises with server/client environments, self-employed, healthcare, solvent households usually without a server environment.

Good utilization for 1-3 employees.

Very good earnings situation due to high service share.

The interested party should be able to be qualified in the technical field, be able to solve IT problems of all kinds, as well as have the business part under control and be able to deal well with people.

The focus is on-site services, troubleshooting, server and network technology, instruction on normal PC tasks, installation, setup and maintenance of new hardware and software.

Operation is also possible without a shop from a home office - so you can keep the infrastructure and costs low.
