Look for Corporate financing, investor

Dental Technology, Dental Laboratory

We are looking for The construction of a Dental Laboratory, a Focus on prosthetic repair service, Starting capital Usually 70,000 Euros.

It is a very concentrated Service, exclusively a Reperature of Dental Prostheses. This Service includes Emergency Services on Sundays and Public holidays to enable the Customer to Reset the Prosthesis In a timely manner.

The Service also includes a Hol-and-bring service that makes use of the Service welcome and absolutely competitive.

A Partnership or Participation is also thinkable and negotiable.

Capital

Region 83, Germany
