ID 13869

Offer Corporate sales, firm sales, sales **Painter's businesses**

The group of companies for sale consists of 3 companies and covers the entire spectrum of traditional painting techniques. From holistic interior design to facade renovations to modernizations of residential and commercial buildings, everything is carried out professionally. Restoration of historical holdings, implementation of high customer wishes as well as renovations/modernizations of apartments complete the offer. Meeting customer needs is paramount, so that several specializations and, for larger projects, trades are organized across the board. Solid, professional and reliable working methods with fixed fulfillment dates are reflected in a solid customer base with which the companies have been growing successfully for years. The wide range of products on offer makes companies independent of weather conditions. Trends are recognized and consistently used.
