

The big business marketplace

Business for sale more than 15 years

ID 13901

Look for Corporate co-operation, firm cooperation

IT database expert

As a cooperation partner, a database expert is sought to program, maintain & maintain databases for operating Internet exchanges.

The aim is to establish a separate company for the operation of the Internet exchanges - remuneration for the above activity can be made in company shares. Business idea stands, business plan is roughly sketched, the next step is to define the IT structure.

Later, the core business can be extended by external homepage creation & maintenance.

Please offer all services in the first step if you are interested.
