## **Metal Construction, Locksmith's Shop, Art Blacksmiths**

Company Concept:

In addition to the classic metal construction and Locksmith'S work, the Company has earned an excellent Reputation in the Field of Art Forging. Here are Fences, balcony and Staircase railings as well as Canopies. Other Business Areas in the Area Of components, Key Services, Security Technology and Garage Door centres were successfully developed. As a Result, the Clientele extends far beyond the traditional Region. Challenging And thus calculatorially interesting works are often commissioned in the Fields of Bonn, Cologne and Koblenz.

History:

The Company has been in existence since 1950, making it one of the oldest in its Region. The Company moved into a new, own Commercial Property in .

Specifics:

Due to the high Quality of the Work carried out, private Clients, Architects and public Contractors have continuous Commissions.
