## **Concierge Service**

Am 27, male. Almost finished Business economist (state-tested) in the Field of Marketing, Professional Experience in the VW organisation/Disposition, Organizational talent, ambitious, flexible, spontaneous, consistent, open to Ideas, teamable, willing to compromise and have Fun at Work. Perfection is not necessarily perfect for me, Social Skills count.

Find a suitable Business Partner for the Concierge Service in The Ruhr area. A Lot of Capital is not necessary for a Concierge Service, but a lot of Time, Flexibility and a wide Horizon. First And foremost, I would focus on the Concierge Service for small Businesses and their Chief Executives, for which time is very precious.

If You feel Like and Enjoy working and are also young and open to such a Service: Then get in touch. Also like to Accept "similar," especially low-capital business Ideas.

To the same:)
