

The big business marketplace

Business for sale more than 15 years

ID 14281

Offer Corporate sales, firm sales, sales **Carrier**

With currently 5 vehicles, the Company for sale specialises in transporting bulk goods for commercial Customers. In addition to FEED and Grain, the GMP certified company also carries renewable raw Materials and Secondary Raw Materials (Crap of all Kinds) as well as other Bulk goods at the Customer'S Request. The Farm is mainly active in the northern Half of Germany, with Feed mainly delivered to Südoldenburg. In the Foreground is on-time Processing and Flexibility. The entire Fleet is in perfect Condition and is between one and a maximum of six Years old.

The Company is in a Growth Phase, which a potential Successor can ideally build on. The existing Customer Structure also offers the Opportunity to exploit further Growth potential. The Farm is to be sold for reasons of Time.
