## Look for Corporate follow-up, firm follow-up, follow-up **Travel agency**

I am 48 Years old, have studied Economics and have been working in the Placement Service For 20 Years. My Dream is a travel Agent of my own. That's why I'm looking for a well-run Travel Agency for fluent Takeover. Preferred Region: In the Triangle Bonn-Siegburg-Böln. The Takeover of the existing Company should be offered on realistic Terms. Sales should be proven. A solid Familiarisation would be very important to me.

I look forward to Getting In touch.
