Taxi rental Car

For Owner Relief we are looking for active Partners.

We are a taxi company with a very good Order situation and a large Customer base, in all prime Locations to our Major Customers. (Circle , North Rhine-Westphalia) with 3 Taxi concessions and four Car rental Concessions plus 3 Wide-body Vehicles, two of which are wheelchair Ramps and approved for Student traffic and therefore tax-free. In total, our Fleet currently consists of 9 Vehicles.

We want to Expand our Company even further, especially in the Area of Disability transport. To this End, we are looking for an Active partner To Expand and Expand our Fleet and, of course, the division of work, which is becoming more and more with us. Our Company has been in existence for almost 30 Years and we have an excellent Reputation here on the Market. Our Operating Profit is excellent. The new Partner would have to raise around €75,000 Uro for a full 50% Of a percentage partnership.
