Business for sale more than 15 years

ID 14775

Look for Corporate participation, firm participation

Renewable Energy

I am looking for a Partner to Set up a Frima that deals with the Distribution of Solar and Wind Turbines.

He is supposed to serve as managing Director as I would like to continue to confine myself to the Area of technology/Sales.

The Wind Turbines and the Solar Modules are manufactured in Input. The Sales Concept stands.

Sales are planned nationwide.
