Are you looking for a competent Successor to continue Your Property Management in Your Interests?

For about half a year, I myself have been running a small WEG administration, which focuses in particular on personal Care.

As a business economist (FH), I have acquired a broad Foundation for property Management through various Specialist Literature and relevant Seminars.

I would Like to be involved in Your Property Management and, if there is a fruitful Cooperation, I would like to see an Agreement to Succeed Him.
