## **Plant Construction, System construction, Automation**

We are Manufacturers of industrial Imaging Systems and el. Systems for Industry, mainly for Quality Control and Automation in the Wood Industry with more than 15 Years of Experience. For a short-term new/further development of new Systems, with fixed Orders, we are looking for an Investor Or permanent Participation, also silent Participation. Very lucrative Project, Europe-wide Customer base. The first Plants are expected to be delivered as early as spring . Of Course, everything is regulated by contract. The Investment has already paid for itself with Profit after the second Investment and will be fully reimbursed to the Investor. A permanent Shareholding would mean a Gewinn for the investor investment of approximately 10000-15000 euros per Investment. We would be very happy about serious Offers.
