## Offer Corporate sales, firm sales, sales **Furniture Store**

We search an investor.

Yield up to 50% in just 24 months guarantee.

The business is a well-known online retail sale of furniture. Turnover last year was about 2.5 million. € and will be expanded with new capital.

Even the Samwer brothers have said in an interview that "only with furniture you can make money in the internet. This can be confirmed in full.

The entire business model has been developed and is working successfully for years.

I am looking for private lenders (guaranteed return of up to 50% in just 24 months) or equity.

Only serious interested parties are sought (no commission)
