Look for Corporate financing, investor **Internship Portal**

Investor sought for lucrative Internet portal Dear Ladies and Gentlemen, We are looking for an investor (from 200,000 euros) for a mature and pre-existing Idea for a commercial, ingenious and unique Internet portal, in an Industry with a steady Growth. A special Area of this Industry, in which our Company will take place, has been shown to have significantly above-average growth Rates in recent Years and continues to grow steadily.

The Development has been going on for over a Year and larger Equity has already been channelled into the Project. We now need further Funding for Infrastructure/Organisation/Sales and the final Development.

We do not need Credit, but are only looking for serious Investors/Shareholders who are convinced by our Concept. We offer Our Investor a Repayment as well as lucrative Interest.
