Look for Corporate financing, investor

Fast food restaurant

To Create an innovative fast food idea, we are looking for a capital investor. The Business Concept is based on a nationwide Gap in the market and is therefore designed for a rapid expansion policy in terms of Financial Policy. In The Medium term, a Fast-food chain is to be created.

In order to Set up the Branch (Upper Franconia or Saxony), a Capital of about 95,000 Euros is required, in the Form of a silent Shareholding or as a Limited partnership of the KG.

Capital

Region 95, Germany

Entry in own name
