Organic Eco Agriculture Production Trade

Ladies and Gentlemen, I am looking for one or more partner partners investors preferably "active" but also passive to start and operate an Orchard with Eco Seals, very good Opportunity for People with Visions. Several Years of Experience in Sales as well as Foreign Trade and Cultivation of Citrus Fruits are available. The Plantation is to be founded in the Brazilian State Of Bahia, as the "transit time" to Rotterdam/Bremen/Hamburg takes 10 and 12 Days respectively and the State Offers ideal Conditions. All Preparations and Discussions for Certification and Eco Seals would already be made.

For more Information, please contact me.

Thank you very much
