Look for Corporate financing, investor **Courier Services and Transport**

Ladies and Gentlemen, we need a Loan of €20,000 to Expand our Company.

We are a medium-sized Company with permanent Orders in the Transportation and Courier services industry.

The monthly Turnover is currently close to €12,000, but it can be doubled with The Help of the Loan.

The Repayment is made monthly with at least €1,000-possibly even more.

Vehicle Letters and a Security Assignment of the Company serve as Collateral.
