

The big business marketplace

Business for sale more than 15 years

ID 15870

Look for Corporate participation, firm participation

Pharmaceutical medical technology

Together with solvent industrial partners, I am looking for a pharmaceutical and/or medical technology company to take over a majority. The management must be available for induction and handover via a multi-year-old caisher. A sales in the seven-digit range must be present.

Participation

Region 30, Germany

Entry in own name
