Offer Liquidation, Operating dissolution **Metal and wood working**

We offer in the west of Prague an assembly hall and office space for rent or sale. The building is located in a commercial area and consists of an assembly hall (500 m²) with 8 T runway, a workshop with metalworking machines, a spray room and office space (210 m²). Available is also an approximately 100 m² 3 bedroom apartment. The complex was built in 2001 as a showroom and service center for the sale and service of wood-working machinery. The site is secured by a fence and the building by an alarm system.
