## Offer Corporate sales, firm sales, sales **Buildings**

We sell our Spanish Building S.L., founded in Marbella in 1997, with a Representative Office in Germany.

The Company has no Liabilities, has a legally binding and reputable Construction contract as a General Contractor for the Creation of two apartment Buildings including Underground parking In Freiburg i. BR.

The Contract volume amounts to 1.719.000€ The calculated Construction Costs amount to around 1.€.

The Excavation was started last Week, Contracts with Subcontractors are already largely concluded.

The possible Profit over the next 12 Months is therefore approximately €700,000,000.

For health Reasons, the S.L. and the Construction Contract are to be sold.
