The Company is located in the District Of Leipzig directly on a Federal Road. It is offered Purchase or Lease. It produces Commercial Barbecues and Stone Ovens. Cons: 1. Productivity is not satisfactory.

2. No profit is made: 1. The Disadvantages could be effortlessly revised, because the Company is well established. They now come from the Owner living in another State And not caring enough about his Company.

2. The Disadvantages are taken into account in the Price, because the modern Hall with 500 sqm alone and the Plot with 18,543 sqm, the Machines and the Goods are worth the Multiple.

Only serious Interested parties will be informed further.
