## **Online Dating Community**

This is an Online Dating community for Women aged 40 + who prefer younger Men as Partners.

The Community has been online since April and now has more than 2000 real Users. The Beta Phase was completed At the end of and all necessary Systems are integrated into the Backend and Front End. Since January , the Platform has been subject to a fee for All. Every User receives a so-called Trial account for 7 Days from Registration. After that, all Services are only available to a limited extent if he does not complete a Premium membership. Various Collaborations have already been negotiated and various marketing measures for User Acquisition Have also been initiated. For paid Marketing, the necessary budget is missing.
