Offer Corporate sales, firm sales, sales **Restaurant/Pizzeria**

Dear interested Parties,

We offer an Italian Shop (Pizzeria/Resaturant) in a Shopping Center for Sale or Lease (Lease with Capital participation).

The Restaurant was opened and reinstated in April . In total, we own 6 Pizzerias of our own. The reason for The Sale or Lease mainly involves the Distance to the Branch, as our Headquarters is located about 200 km from the Branch mentioned here, and an optimal Management of the business Activities is very difficult. Otherwise, the Shop With appropriate storage and Preparation rooms is very well organized. The Place in the Centre is very central and optimal in the EC. The Operation is in full Swing and can be passed seamlessly. The Centre is located in The Umkrein Of Frankfurt (+/-10km).
