## **Accounting-Management consulting**

Payroll and Accounting, just as Management Consulting focuses on Accounting, our Clients come from the field of Art and Music, DJ and Producers, English in Word and writing is important.

We currently look after 178 Clients, we are looking for a Tax Consultant (Beginner).

We give an Induction Time And Employees can be Taken over.

Due to the Age and Due To the Consideration of going abroad, we would like to Sell our Office.

We can imagine trading the Purchase Price at 2 levels, on the one hand a Deposit and the Rest on Monthly Instalments.

The Office is suitable for Tax Advisors who want to become New to their own.
