Efficient outdoor company in the famous tourism region of Sauerland

- Ski area with 4 ski lifts
- High Ropes Course
- Ski School
- Skirental
- Skihut (lodge)

Have you ever thought about to gain a foothold in the outdoor business? - Without annoying start-up phase or as an exceptional investment?

The well-maintained complex is located on approximately 5 acres of leased forest and meadow areas in the vicinity of hotels and holiday parks.

All plants standing on the site are our property, such as also the ski and hiking hut with 150 sqm terrace and great views (over 100 seats). Since the winter of 1996, we successfully operate the ski and hiking hut.

For the ski area we have a long-time lease. In recent negotiations, a purchase of the ground has been promised.

With more than 120,000 guest nights include Winterberg / the major tourism regions.

It has cooperation agreements with different companies, and holiday parks in the areas of skiing, ropes course climbing, team building and outdoor programs for groups.

Nights are offered through our partners. All services associated with our programs are offered and done centrally by us. A great service for our customers and a challenge for the team.

Our outdoor company offers through its many synergies can be cultivated throughout the year. Possible upgrades for group accommodation being considered.
