Corporate films

Dear visitor,

Seeking an investor or an investor for my growth-oriented companies in the film and internet marketing.

Our company was founded in 2002. The focus of the first 5 years was in print. I was publisher of 10 magazines. Since we are working in the film business for corporate films, product films, 3D Visualiesierungen, exhibition films, documentaries and video marketing.

Major customers in our portfolio.

The publishing industry was in sold to only to focus in the future to the movie business. An expansion in Germany is ongoing.

Now I want to expand the market in Switzerland and therefore seeking a more active partner with sales experience and good contacts to establish a second branch in Switzerland.

Details and the procedure we communicated with proven interest.
