Look for Corporate follow-up, firm follow-up, follow-up **Outpatient Care Service**

We are looking for an Outpatient Care Service to Buy or Take over at the next Possible time. Existing Structures, Mission statement, Personnel, Fleet, Etc. are very popular. We, this Is a BWLer, currently employed Managing director of a Nursing service with 200 Patients in the Outpatient sector and a Nursing professional, currently a Nursing service in AN outpatient care service with about 300 Patients in the SGB 5 and 11 range and another 200 Counsment Patients.

Capital is secured and "Air Bubbles" are foreign to us.

We are looking in or Hamburg, but possibly also in a completely different Area of Germany. The Company should suit us and we should suit the Company.

Please get in touch with us, maybe we will get together. ?

However, a Size of 70 Patients or more should be given, Expansion potential would be nice. A Turnover from around â,-500,000 would be nice, happy about it.
