Online Retail-Purchase Platform CDs and DVDs

This Offers me the Opportunity to create a proven Purchase Platform for DVD, Blu-Ray, Tablets and much more. Similar to well-known buying platforms from TV & other Media. You can start immediately and continue to work with the previous fixed Art tribe. The Shop has been programmed to our Needs and a smooth Transition to the Buyer is assured. As an elementary part of the Platform, the automatic Upload of the purchased items to the most important Sales Platforms is sold. This Guarantees an immediate Flow Of goods. On the Plastin stories we sell a Month to about 4,500 different Customers and have well over 40,000 Page Views. The Possibility of a dedicated Homepage as well as SEO optimization are still not used here in any Way. Overview Of the most important Figures: Visitors per month: About 40,000 Sales in : €3,000 In sales in : € 125,000 in sales : € 280,000 (As of:) and rising further.
