Offer Corporate participation, firm participation

Ingenieurbüro

An owner-managed and TÜV certified provider of Engineering Services with a wide Range Of services around automotive series production Prefers to seek a strategic Partner or Buyer. The Company is involved in the Design and Construction of Systems, Equipment and Special Machines for the Automotive Supply industry. The main Design Expertise is the Specialization in Automation of production Processes.

For the required Growth, the Company is not looking for a pure Investment, but a strategic Partner or Co-shareholder with Synergy effects. The Shareholders want to contribute their Competence and only withdraw from active Professional Life in a few Years.

What is Sought Is a strategic Buyer or Partner with Synergies. The Amount of business shares to be acquired is negotiable. A 100% Share sale is conceivable under certain Conditions.
