Publishing Program (Spirituality, Life support) Seeks Successors In this Publishing house Bestsellers have appeared, and the Ideas of the Owner have helped not only this but also many other church publishers to make significant Transactions. As Part of a Restructuring, the Publishing Programme is now to be handed "into good Hands."

A Successor (m/w) from the Publishing Sector or as a "Side Entrant" is sought, who is an outspoken sales Personality and enjoys Good, beautifully designed books and Nonbooks based on the Christian Faith.

It is also quite possible to integrate the Program into an existing Publisher. A Company in particular that wants to expand its Non-book profile would benefit from this.

Concepts and Contacts can be introduced by the current Owner (even in the long term). For sale is above all an active Rights stock, Addresses and the know-how of the Owner.
