

The big business marketplace

Business for sale more than 15 years

ID 17119

Look for Corporate participation, firm participation

Software

Major European Software Manufacturer and Service Provider Is looking for Software manufacturer/ISV for takeover or Participation.

The search Is For manufacturers of Business Applications with their own Development Team and existing Customer Base.

The Aim is to Expand our own Offer And Expand the Business Relationship.

The existing Team can be expanded through a Cooperation/Acquisition by our Developers and benefit from our financial Resources.

In many years Of Development work, we have developed our own Framework and can easily use current Techniques such as Cloud Solutions or create Applications for mobile Devices.
