Look for Corporate sales, firm sales, sales **Building Cleaning**

We are a well-established Building Cleaning Company based in Cologne.

In addition to the professional activities of the building cleaner craft, we are a Specialist Company for Disinfection, crime scene cleaning and Hygiene cleaning by Specialists.

In order to expand, we are looking for Building cleaning companies that intend to let their Company continue into good Hands. Staff and Location can be taken on. Also, our Company is a Training Company in the building cleaner craft, which means that you should Employ Apprentices who can continue them without hesitation.
