The Textiles and print Templates are stored separately, so that the T-Shirts are not printed until after the Order has been placed. This saves the space Required, which is otherwise so much needed.

Pure Consumables cost per Shirt range from 2.50 to 4.50. It depends on the Quality of The Textile and The finished Print. Prices for US Preprints range from 0.40-3.00.

In Addition, there is only the Electricity, Invoice paper and Packaging Material.

Sale Price ranges from 10.99 to 14.99.
