## Offer Corporate sales, firm sales, sales **IT Companies, Tax Software**

E-Commerce Company offers special Software that allows for an officially qualified check of VAT identification numbers. The Software is optimally adapted to the Customer Needs of cross-border Companies (EU/Deutschland) and allows a Mass Confirmation with free postal Confirmation from the Federal Central Office for Taxation.

The Software is very comfortable To use, a lot of Practical Relevance and the ease Of use.

The Software is an Add-Inn (complementary Software module) that is integrated into an existing MS office Excel.

An activation server that provides asymmetric Encryption makes it impossible to install and apply the Software unauthorized (unlicensed).  
The Management of the Customers is done via a Central Database connected to the Licenses.

License must be purchased again by the Customer every three Years. The First Customers are already in place.
