

The big business marketplace

Business for sale more than 15 years

ID 17444

Look for Corporate sales, firm sales, sales **Consulting**

In our previous corporate career we have intensively used the "tools of the merchants " and this applied to all traditional tasks .

Particularly strong our existing client management is characterized by very high quality in the field

- Booking running business transactions
- Creation of running payroll and payroll
- Management Consulting
- financing discussions
- Strategy Consults
- Controlling - Reports
- Budgetplans
- Management of the kfm. dunning

Our focus is in the areas of crafts, building materials industry , automobile ancillary trades , services , property management, renewable energy / solar , sports associations / clubs .

Strong analytical properties , an excellent understanding of numbers and the " attention to detail " You may as well be taken for granted , yet flexible , with entrepreneurial thinking, a healthy dose of pragmatism and self-reliant .
