Offer Corporate sales, firm sales, sales **Online wholesale**

Successful Online Platform for Insulation Materials is looking For successor The offered Webshop has been in existence since and bundles insulation Materials from different Manufacturers in its Range. The online offer is mainly aimed at commercial Customers. In addition to the domain connected to the Web shop, the necessary Licenses for The operation of the Shop as well as an extensive and very well maintained product Database as well as the Customer Database of the Orders in Progress are to be sold. Currently, about 2,500 Products are added to the Shop, the Database still offers Space for another 7,500 Products.

The Webshop only carries out "dropshipping," which makes Warehousing unnecessary.
