

The big business marketplace

Business for sale more than 15 years

ID 17588

Offer Corporate sales, firm sales, sales **Online company**

Longtime online company for sale.

The Portal works in a big growth segment, that for many years in the Switzerland permanently black writes. The many job ads confirm that also.

The general economic sectors is bad, then the Portal benefit enormously. The revenue of in recent years demonstrated unequivocally. In good economic conditions, revenue are classed rather in the average range.

Due to changes in the private sector, the portal has to be sold.

Of course, all proceeds at a meeting can be presented like. For further information email.
