It is with a heavy heart that I separate myself from my Limousine Service. The Reason for this lies in my future professional Change and Responsibility, so that unfortunately I no longer have Time for the Limousine Service.

is a well-known and popular Brand in the Köln/Bonner area and is one of the successful Limousine Services in the Region.

This is not least due to our established Cooperation Partners and our high Standards. The Service is almost never running And already has orders in the 5-digit range for the coming Season.

In addition to the Domains, the Purchase also includes numerous already paid Advertising Activities such as various sponsored Sports Clubs, Registry Office Brochures and a Limousine. More Dismissive, we have a Scam, The additional can be purchased.

The Vehicle: Lincoln Town Car 8.60 m (120 inch) Crystal Equipment
First Approval 03.2003
Mileage: About 180.
