taxi companies for age and health reasons. A long-standing staff and 30 pieces of vehicles, some of which are new and maintained in our own workshop, exclusively of the Daimler-Benz brand with upscale equipment, are part of the sales item. On request, the entire workshop equipment can also be taken over. The total of 30 concessions are transferable and the insurance premiums are also transferable because of an exceptionally low loss ratio. Taking into account the purchase price idea, the return is about 10%.
