Look for Corporate financing, investor **Architecture Construction**

Ladies and Gentlemen, I Am currently Looking for capital for an Investment to complete a residential and Office building for the further development and implementation of my planned Projects "residential and office properties with tradition" and "Old Building will become Attractive construction." Cross Hall, listed) to an upscale standard. The Amount of the Investment is €1.2 Million.

In this Way, allow me to arouse your interest in this Project, which in its Symbolism as a traditional Property in the Depiction as a Monument seeks archived cross house of its Equals. Even The Realization of the Property will not change this in The long term, using an optimally coordinated and promising Investment. Only You, as a Property developer, will be able to see the Potential of these Immobile and the sustainable Value.
