Outpatient Care Service

We are an American Care service Provider and now also want to become active in the German Market. That is why we are looking for outpatient Care Services for Takeover throughout Germany.

We are looking for

- Companies that are for Sale now or in the Future-Owners of Care Services who are interested in working in our international Company

- Companies that want to grow and are looking for an active and financially strong Partner

We are not a Franchise Company.

We look forward to their Contact.
