Look for Corporate financing, investor **Building cleaning, room design**

Search investor or silent shareholder where my operation finanziel one-time supported with €9,000.

Have had Three companies since mai in the field of painter/building cleaning and unraveling. Customer and orders available I want to fashion the company technically and wanted to use the money to buy new equipment in order to process more customers faster and better.

I hope for a well-weary investor or shareholder.
