Look for Corporate follow-up, firm follow-up, follow-up **Metalworking**

Kaufmann (In his mid-40s) with extensive management And Consulting Experience would like to take over a Manufacturing company in The Greater area as part of an Old-age succession or a management buy-in (MBI) as managing partner.

It would be Ideal if the Company had its own Products and market Access. Value Creation should be in the Areas of Production, Development and Service.

Of Interest is both the Assumption of the Management Of Omestates and a Participation as Co-managing director and the gradual Transfer of Complete Responsibility

Succession

Region 70, Germany
