Search Capital for GmbH Foundation

€50,000 is required, of which €25,000 is required to deposit it into the existing company account as a deposit. The other half of the capital is needed to prepare, in cooperation with attorney, tax consultant and notary, the commencement of the business activities of the GmbH.

I will be happy to present my business plan, the implementation of which in the first step requires the establishment of a company-I have opted for a GmbH-to an interested investor.

I need the capital for three years and offer 5% interest per year.
