Gastronomy Franchise

In order to Implement a completely new Franchise concept, located in the Field of "2go" catering, I am looking for a competent Partner with experience in this Area in order to "conquer" with him and that of the Product, Shopping Malls and Markets.

The Product, very popular in its Original Form well known to us, appeals to every consumer and Age group. Hearty, hearty, sweet, fresh, healthy, vegetarian, vegan, seasonal, exciting – every Conceivable Adjective can be used, every preference can be Served. Everything is freshly prepared and thanks to sophisticated Technology – I work on it – everything goes jerk over the Counter, with the Show effect not to fall short.

Since I am An Industry non-industry, so unfortunately I have no Experience, I have presented my Concept to experts at THE IHK and a Management Consultancy working in this Area.
